BIBLE IS A PIOUS FRAUD LOOK AND LISTEN

The Bible is a Pious Fraud, which is coming out today slowly as people began to do their archeological, historical HOMEWORK. What people need to know is that the Jewish and Roman Orthodox Catholic and Christian Churches (JROCCC) have been lying to us for over 2000 years. While forming the JROCCC they destroyed the ORIGINAL MOVEMENT OF JESUS that was organized by Bishop Marcion using his Bible (Apostlicon EvangelIcon) which included many of the Apostle Paul's ORIGINAL LETTERS. After Marcion and his massive Jesus movement became very popular Marcion died. Next, the JROCCC swept in and took over or burned all of Marcions many churches or took them over under the JROCCC'S umbrella feloniously declaring Marcion a heretic in the process so that the Marcion Church movement would be destroyed.

The Bible is a PIOUS FRAUD which has been coming out now for a long time. Prophecy states the JROCCC will burn, it will cease to exist soon because of it's debauchery.

I have read almost the entire Bible. I studied it in Bible College for two years, which is when I began to discover that what I was learning was PROGRAMMED LIES. I made a promise to Jesus that I would one day EXPOSE THESSE FALSE RELIGIONS AND COUNTERFEIT BIBLE THEY ALL USE AND WRONGFULLY REFER TO AS THE "INSPIRED WORD OF GOD".

WHO WAS MARCION

Marcion was an incredible man back then he was like a Trump regarding his popularity. He was likely the Bishop of Alexandria. Christians thought of him back in the second century as being just as powerful as the Bishop in Rome. With his authority, he compiled and canonized the first Bible for the early Jesus people movement.

There would NOT have been any letters of the Apostle Paul the Jewish and Roman Orthodox Catholic and Christian Church (JROCCC) could have used for there LATER Roman Bibles had Bishop Marcion not created his Apostolicon Bible FIRST. We do not have the original letters written by the Apostle Paul today because the JROCCC contaminated the original scriptures Paul wrote to comply with their JROCCC teachings and ideologies

The Apostolicon (together with the Evangelicon) is the original canon of Christian scripture. The word "Apostolicon" means that which presents "the Apostle". Marcion[a], a man accused of being one of the most dangerous heretics of all time by Orthodoxy, is said to have compiled and canonized the Apostolicon and, according to a late Catholic tradition, delivered the Apostolicon scripture to John the Apostle[b]. The Apostolicon contains ten epistles of the Apostle as follows:

1. Alexandrians (Corinthians)
2. Alexandrians (second epistle)
3. Galatians
4. Romans
5. Thessalonians
6. Thessalonians (second epistle)
7. Laodiceans (Ephesians)
8. Colossians
9. Philemon
10. Philippians
